One of the best ski resorts I've been to. Very convenient for family and kids-friendly. Hassle-free rental of equipment which allows switching between ski and snowboard. GOs are very friendly and helpful, ski and snowboard instructions are highly-skilled and made learning a lot easier. [...] Fantastic experience for the whole family!

"Staying at club med Hokkaido was an amazing experience. From the attention received on arrival after long Hours of travel, warm tea and wash cloth, to the help with ski hire, then dinner with two of their amazing ski instructors, Christopher and Joseph, club med Hokkaido was sensational. Food every day delicious and plentiful. Thomas on front reception so helpful and fun. All staff were gorgeous people. General Manager Jenny delightful. Every night the entertainment was incredible. Rooms were spacious except the bathrooms very small but then you go to the ofuro for a beautiful bath instead. Beds comfy. Now the snow. My husband who is a good skier says best snow he's ever skied in. Fresh powder, fresh tracks, club 5 instructors fantastic. Our 9 year old learner adored everyday. Our 13 year old never missed a lesson and for myself, never skied before, I loved it. Just need to be a little more ski fit before I go. When you leave a holiday destination feeling depressed to go back to reality, you know it was the best ever!"

"Excellent vacation for our family. First time for our family to ski and we really appreciate everything Clubmed has to offer. Feel very pampered. A lot of careful and detailed planning to ensure maximum enjoyment for everyone across all ages. Our kids are 16, 12 and 6 y.o. and they had a blast. All the G.O, Instructors and staff made us feel welcomed. They look after us very well. Special shout out for Joseph, Cal for thorough explanation during ski lessons, Adi and Fajar (Bartenders) for great drinks, the mini club team with magic hands to entertain and take care of the young one, and the entertainment team for the amazing circus show. Also thanks to the chefs that carefully plan international menu for each meal. The resort is very well maintained. All areas are clean and dry at all times. Weather was fantastic at this time of the year, sunny on most days and pretty warm. Will definitely plan to come back."
